సాయంతో కాపాడారా?.. శిభిర్ SDRF!**

Community Engagement:

Community Awareness: The SDRF conducts community awareness programs to educate people on disaster risk reduction and response.

Collaboration and Coordination: The SDRF team has worked closely with other agencies, such as the local Revenue Authorities, NGOs etc., to respond to disasters.

Community Engagement: The SDRF team has engaged with local communities to raise awareness about disaster risk reduction and response. This has helped build trust and strengthen community resilience.

Community Participation: The SDRF has involved communities in disaster response and relief efforts, helping to build their capacity and resilience.

Support to Vulnerable Groups: The SDRF has provided support to vulnerable groups, including women, children, and the elderly.

Mock Drills:

Mock drills-186 conducted in Schools, Chemical factories and villages situated in flood & landslide prone areas for creating awareness among the people & School children during disasters & disaster like situations at various districts in Andhra Pradesh State.
